Subject: ODEQ wants to take over lead for all FW: Wilcox Community Involvement
Date: Thursday, January 30, 2014 11:48:54 AM

I know this is part of a bigger overall issue..... Shouldn't something formal be done if they are taking over in OK? Because later, we may get the public blame, right?

How does this work with the monies etc? Is ODEQ taking the lead for the entire site work also?

Subject: Wilcox Community Involvement

Bill/Joy,

DEQ wants to take the lead on community involvement for the Wilcox Oil Company Superfund site. We will be starting the community interviews portion of preparing the Community Involvement Plan in the next few weeks. If you have any questions feel free to talk to Todd Downham the DEQ project manager. We may be calling you for advice and bounce ideas off of you. We will also let you guys review our draft CIP when it is ready.

Let me know if you have any questions!
